

# UPDATING THE UTILITIES CODE

**1/2 DAY**

**PRESENTER** Fiona Knight

Version 2 of the National Code of Practice for Utility Operators' Access to the Transport Corridors has now been approved. It provides greater guidance on the interpretation and implementation of the code. The changes will impact on all parties and the way they implement the code. The new code provides opportunities to improve efficiency and simplify processes.

This course will take participants through all the changes and what they mean for the different parties – corridor managers, utility operators, contractors and consultants.

This course is ideal for those who have previously attended the 2 day course as it will focus on the changes to the Code.

## TOPICS INCLUDE

- Changes to the Code and what they mean to the industry
- How to simplify some processes
- How to amend existing processes to put these changes into effect

## ON COMPLETION OF THIS COURSE PARTICIPANTS WILL HAVE THE KNOWLEDGE TO

- Implement the amended Code
- Use course notes as an up to date reference for the Code

## WHO SHOULD ATTEND?

Any-one who has responsibilities for administering or complying with the Code: corridor managers, administrators, utility operators, contractors, consultants.

## COST OF COURSE

\$395 per person + GST

*(Minimum numbers apply before a course is confirmed)*
