

“Hooking-On”

There are 6 easy steps to your training:

- 1 Employer and Trainee sign Training Agreement. Training Agreement and fee are returned to InfraTrain. Please visit our website (www.infratrains.co.nz) or call us to obtain this form.
- 2 InfraTrain sends employer the appropriate on-job training manuals.
- 3 When trainee has completed unit standard (s) and is ready to be assessed, either an in-house company assessor carries out assessment or the company contacts InfraTrain to arrange a visiting assessor.
- 4 Assessor advises InfraTrain when the trainee is competent in the unit standard(s).
- 5 InfraTrain advises NZQA of trainee’s competence. NZQA records trainee’s units on their National Record of Learning. Trainee receives a copy of this record.
- 6 NZQA/InfraTrain issue National Certificate to trainee once all unit standards have been completed.

Fees

Enrolment Fees
