

“Hooking-On”

There are 7 easy steps to your training:

- 1 Employer and Trainee sign Training Agreement. Training Agreement and fee are returned to InfraTrain. Please visit our website (www.infratrains.co.nz) or call us to obtain this form.
- 2 InfraTrain sends employer the appropriate on-job training manuals after payment.
- 3 When trainee has completed unit standard(s) and is ready to be assessed, either an in-house company assessor carries out assessment or the company contacts InfraTrain to arrange a visiting assessor.
- 4 Assessor advises InfraTrain when the trainee is competent in the unit standard(s).
- 5 Trainee attends off-site Opus course to complete the off-job unit standards. Courses consist of two block courses of 5 days and one block course of 2.5 days.
- 6 InfraTrain advises NZQA of trainee's competence. NZQA records trainee's units on their National Record of Learning. Trainee receives a copy of this record.
- 7 NZQA/InfraTrain issue National Certificate to trainee once all unit standards have been completed.

Fees

Enrolment Fees

Members of Shareholder Associations	\$ 60 + GST
Non Members	\$140 + GST

Monthly Subscriptions – National Certificates

Member of Shareholder Associations	\$ 50 + GST
Non members	\$ 55 + GST

Other InfraTrain Qualifications

- Civil Construction
- Pavement Surfacing
- Rural
- Roadmarking
- Utilities
- Business Administration and Computing
- Civil Engineering
- Property Management
- Surveying
- Design
- Architecture
- Quantity Surveying
