

## **NZUAG Board Interests Register**

The following register is designed to record interests affecting NZUAG Board Members, as it may affect the activities and decisions of the Board. No recorded interest will preclude a Board member from participating in the business and decision-making of the Board, with the way each interest is handled to be assessed on a case-by-case basis.

The register will be maintained as a publicly accessible document on the NZUAG website and be tabled for updating at the commencement of each Board meeting.
