

## **NZUAG Board Interests Register**

The following register is designed to record interests affecting NZUAG Board Members, as it may affect the activities and decisions of the Board. Membership of employer organisations is taken as given. No recorded interest will preclude a Board member from participating in the business and decision-making of the Board, with the way each interest is handled to be assessed on a case-by-case basis.

The register will be maintained as a publicly accessible document on the NZUAG website and be tabled for updating at the commencement of each Board meeting.
